 **FONDATION**
CÉGEP ÉDOUARD-MONTPETIT - ÉNA

In this era of revival and renewal, let us rise together! Rise for the next generation and proudly encourage the academic success of the world's largest college-level aero technical school by taking part in our prestigious wine evening.

On Thursday, June 9, 2022, celebrate the relaunch and support the next generation in aeronautics industry by participating in *Elevatio*, a special edition of Vins de prestige, the biggest benefit event of the École nationale d'aérotechnique (ÉNA) and cégep Édouard-Montpetit Foundation.

Don't miss this **golden opportunity** to experience a dream evening in the company of 500 influential industry figures during one of the first major face-to-face events in several months!

5 : 30 p.m. – COCKTAIL

7 p.m. – GOURMET EXPERIENCE

On the menu: a chic, glamorous, sophisticated and enticing evening punctuated by breathtaking moments where the greatest wines and the finest dishes are to be discovered.

GUEST PROFILE

Companies

- Prime contractors in the international aeronautics cluster
- SMEs in the aeronautics industry in the South Shore and Greater Montreal (aircraft parts, electronics, computer science, engineering)
- Other sectors: group insurance, lawyers, universities and other higher education institutions, human resources and recruitment

Individuals

- Close to 500 guests
- Senior executives of the major players in the aeronautics industry
- Dignitaries: Ministers and Members of Parliament

Your generosity is an invaluable support to develop ÉNA's full potential. Its role and the role of its Foundation are essential for the aerospace's revival and to form qualified employees in these times where it's most needed.

The funds raised thanks to your participation in *Elevatio* will allow ÉNA to:

- Develop innovative strategies and recruitment projects to attract and train more aerospace students
- Promote ÉNA through digital projects and recruitment tours
- Continue to offer and develop the best formation to meet the specific needs of the aerospace industry
- Acquire the best and the newest technology use within the industry
- Support student's motivation and engagement towards their graduation
- Offer excellence, perseverance and commitment scholarships

I would like to participate in *Elevatio*. What are my options?
